Dear Mr Parnham,

I am writing to say thank you for giving us an amazing tour around the Lancaster Bomber. It was very exciting and we had a great time!

My favourite part was when we got to watch the Lancaster Bomber get taxied, it was amazing to see it really close. I also enjoyed having a tour around it and being able to actually touch it! It was very interesting learning all those facts.

It was very generous of you to give up your time to teach us all sorts. Everyone learned something new and factual! We loved looking at the remains of planes and how it would have been like. It was fun doing the activities in the different rooms and finding the answers.

Year 6 found it hard not to enjoy everything we did. Some were more fun, others were more factual and interesting. But they all were exciting and interesting. It's amazing how East Kirkby has all (well most of) the remains of planes. Some of the parts were damaged but some were like new.

Thank you so much for giving up some of your time to give us a tour and tell us amazing facts. Year 6 had a fantastic time, finding and solving the puzzles (questions)

Yours Sincerely,
Fatima Ahmed
